### 14.30-15.00 Motor

*Chairs: Espen Dietrichs, Tove Henriksen*

#### Postural disorders in Parkinson's Disease

\* *Nils Margraf, Germany*

### 15.00-15.30 Coffee

### 15.30-16.00 Non-motor

*Chairs: Espen Dietrichs, Tove Henriksen*

#### Comparing and contrasting the motor and non-motor effects of advanced therapies in PD

\* *Ray Chaudhuri, England*

### 16.00-18.00 Therapy of advanced PD

*Chairs: Erik Hvid-Danielsen, Skirmante Mardosiene*

#### Placebo effects in PD

\* *Joaquim Ferreira, Portugal*

#### DBS: Latest developments

\* *Elena Moro, France*

#### DBS: Best target for DBS in Tremor

\* *Inger Marie Skogseid, Norway*

#### Focused Ultrasound

\* *Günther Deuschl, Germany*

### 18.00-18.15 Coffee

### 18.15-19.15 Best papers

*Chairs: Mika Martikainen, Sven Pålhagen*

#### Best 3 experimental papers 2020-22

\* *Anders Björklund, Sweden*

#### Best 3 clinical papers 2020-22

\* *Andrew Lees, England*

### 19.15-19.45 Pro-Cons Session

#### Shall we start PD therapy with L-dopa?

*Chairs: Håkan Widner*

\* *Yes: Espen Dietrichs*

\* *No: Christian Oehlwein*

### 20.00 Dinner

## SATURDAY 23 APRIL 2022

### 08.00-10.00 Therapy of advanced PD. Kognition

*Chairs: Markus Wiksten, Per Odin*

#### Wearables for monitoring PD and its treatments

\* *Filip Bergqvist, Sweden*

#### Pump-based therapies for PD: state of the art

\* *Tove Henriksen, Denmark*

#### Differential Indication for Advanced therapies

\* *Werner Poewe, Austria*

#### Cognitive decline in PD: Clinical phenotype, imaging and treatment strategies

\* *Irena Rektorova, Czech Republic*

### 10.00-10.30 Coffee

### 10.30-11.30 Future treatment

*Chairs: Erik Hvid-Danielsen, Håkan Widner*

#### Trophic factor-based therapy: GDNF

\* *Alan Whone, England*

#### Trophic Factors in Parkinson's disease: CDNF

\* *Per Svenningsson, Sweden*

### 11.30-13.30 Non-PD Movement Disorders

*Chairs: Espen Dietrichs, Tove Henriksen*

#### MDS MSA criteria

\* *Gregor Wenning, Austria*

#### PSP: Clinical manifestations and therapeutic options

\* *Gunter Höglinger, Germany*

#### Therapeutic options for Dystonia

\* *Marie Vidailhet, France*

#### Tics and Tourette: Symptomatology and Clinical Management

\* *Kirsten Muller-Vahl, Germany*

### 13:00-13:30 Lunch and departure

## PROGRAM COMMITTEE

Jan Aasly, Norway • Anna, Björnsdóttir, Iceland  
Espen Dietrichs, Norway • Tove Henriksen, Denmark  
Erik Hvid-Danielsen, Denmark  
Skirmante Mardosiene, Denmark • Mika Martikainen, Finland  
Per Odin, Germany • Sven Pålhagen, Sweden  
Gudrun Sigurdardóttir, Iceland • Håkan Widner, Sweden  
Markus Wiksten, Finland

## Language

The official languages of the symposium will be English and Scandinavian
