

Scandmodis hereby announce a new course for Scandinavian specialists' training in movement disorders from 2027-30. The announcement is aimed at newly educated consultants in neurology

The program extends over 3.5 years with a total of 7 courses of 2-3 days duration at neurological departments in Sweden, Norway, Denmark and Finland. First course is in week 5, 2027

Application deadline

15 August 2026

Send your application to your national movement disorder society

Elisabeth.Jirstrom.Hiersemann@skane.se

The course series is aimed at younger consultants in neurology with documented interest in movement disorders. When applying, there must also be a recommendation and acceptance from the department, where you are employed
